Hi Harold,

Enclosed is Larry King transcript
of Mailer. Hope it is useful
to you. I have a copy on
my computer & read later.
Haven't read it yet - but going
through the pages, I noticed

"NORMAN MAILER: [unintelligible]"

I expect that will be a
good summary of the interview!

Take care. Regards to
Lillian.

Dennis

P.S. Got the index from Bill.
Also, I finished reading
New Again! Excellent book! Thanks
